Rockenmacher Chiropractic Financial Agreement for Personal Injury Patients

We would like to take a moment to welcome you to our office and to assure you that you will receive the very best care available for your injury. In order to familiarize you with the financial policy of our office, I would like to explain how your medical bills will be handled.

PARTY RESPONSIBLE:

If you were involved in an auto accident in your own vehicle, we will bill the medical payments portion or Personal Injury Protection portion of your insurance policy to cover treatment charges incurred in our office.

MEDPAY: If you were a passenger in another vehicle, the insurance company which insures the automobile may be billed for your medical services incurred.

PIP: If you were a passenger in another vehicle, and your own car which has PIP coverage, the insurance company which carries your policy will be responsible to pay your medical bills.

3rd PARTY: If another vehicle has caused the accident, we will first bill your automobile MedPay or PIP policy for coverage PRIOR to submitting a claim to the insurance carrier of the party at fault.

It is also to your advantage for our office to bill your own health insurance policy for your medical services, providing your policy does not state otherwise. Any amount received above or beyond your total bill in this office will be refunded to you.

ATTORNEY LIENS:

If you hire an attorney to represent you in a law suit, it is our policy to have your attorney sign a Doctor's Lien. This will guarantee direct payment to our office for any undid balance upon the settlement of your law suit. We retain the right to first submit all charges to your private and/or auto insurance policy for payment. Further, this office does not discount or reduce the amount of your balance based upon the outcome of your settlement.

RESPONSIBILITY FOR PAYMENT:

As a courtesy to you, we will gladly submit your charges to your insurance company(ies) and/or your attorney; however, all services rendered by this office are charged directly to you, and ultimately, you are personally responsible for payment for these charges, regardless of any insurance reimbursement or settlement you may or may not receive.

Once again, we welcome you to our office. We hope that this has answered any questions that you might have about our financial arrangements. If, at any time, you have further questions about your care, please, don't hesitate to ask.

I have read and agree to the above

INFORMED CONSENT TO CHIROPRACTIC TREATMENT

I hereby request and consent to the performance of Chiropractic adjustments and any other Chiropractic procedures, including examination tests, diagnostic x-rays and physical therapy techniques, on me (or on the patient named below for which I am legally responsible) which are recommended by the doctor of Chiropractic named below and/or other licensed doctors of Chiropractic who now, or in the future, render treatment to me, while employed by, working for, or associated with, or serving as backup for the doctor of Chiropractic named below.

I understand that, as with any health care procedures, these are certain complications which may arise during Chiropractic adjustment. Those complications include, but are not limited to; fracture, disc injuries, dislocations, muscle strain, Homer's Syndrome, diaphragmatic paralysis, cervical myelopathy and costovertebral strains and separations. Some types of manipulation of the neck have been associated with injuries to the arteries in the neck, leading to, or contributing to serious complications including stroke. I do not expect the doctor to be able to anticipate all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedures which the doctor feels at the time, based on the facts then know, are in my best interest.

I have had an opportunity to discuss with the doctor named below and/or with office personnel the nature, purpose and risks of Chiropractic adjustments and other recommended procedures and have had my questions answered to my satisfaction. I understand that the results are not guaranteed.

I have read or have had read to me the above explanation of the Chiropractic adjustment and related treatment. By signing below I state that I have weighted the risks involved in undergoing treatment and have myself decided that it is in my best interest to undergo the Chiropractic treatment recommended. Having been informed of the risks, I hereby give my consent to that treatment. I intend this consent form to cover the entire course of treatment for present condition and or any future conditions for which I seek treatment.
